Federer for Congress Committee

Dear Mr. Federer:

As noted in the letter to you that accompanied the May 4, 2004 General Counsel's Brief in this matter, before granting any request for an extension of time to respond, this Office would request that your client execute an agreement to extend the statute of limitations. Attached is such an agreement.

As we discussed in our phone conversation with you today, in order to accommodate your request to extend until June 10, 2004 the time to respond to the Brief, the attached agreement tolls all applicable statute of limitations for a period of 40 days. This will provide the Commission with sufficient time to consider your response and any subsequent conciliation agreement. Together with the previous tolling agreement you signed in September 2003, all applicable statute of limitations will be tolled for a total of 60 days.

Please sign the attached "Consent to Extend Time to Institute a Civil Law Enforcement Suit" agreement and return a copy to me by facsimile no later than close of business tomorrow, May 20, 2004. You may then mail or hand-deliver the original signed agreement.

Should you have any questions, please contact me at (202) 694-1591.

Sincerely,

A handwritten signature in cursive script, reading "Dawn M. Odrowski", is written above the typed name.
